

# DEUTSCH DTM SERIES CONNECTORS

Deutsch mini transport connectors.

- For use with 2 to 2.5mm auto cable (24-20AWG)
- 1500VAC rated
- -55°C to 125°C rated
- 7.5A continuous rating per circuit
- Submersible to 3'
- Vibration tested to 20G
- Shock tested to 50G
- Options include mounting bracket and gold plated terminals

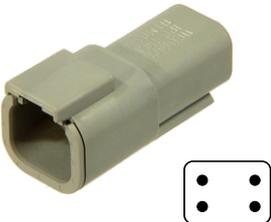

**27942**

2 circuit female DTM housing & wedge.  
Terminals **27021/023**

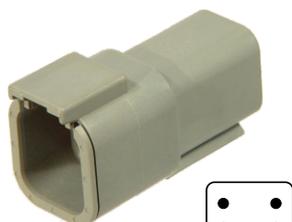

**27943**

3 circuit female DTM housing & wedge.  
Terminals **27021/023**

**27944**

4 circuit female DTM housing & wedge.  
Terminals **27021/023**

**27946**

6 circuit female DTM housing & wedge.  
Terminals **27021/023**

**27948**

8 circuit female DTM housing & wedge.  
Terminals **27021/023**

**27941**

12 circuit female DTM housing & wedge.  
Terminals **27021/023**

**27921**

Mounting bracket suit 2,3,4,6 & 12 way female DTM housings

**279211**

Mounting bracket suit 8 way female DTM housings only

**27026**

Cavity plug suit DTM housings. Red.  
Used to seal unused terminal cavities

**27025**

Terminal removal tool.  
Use with terminals **27020/021/022/023**

**27005**

Generic crimp tool.  
Use with terminals **27020/021/022/023**

**27000**

Generic crimp tool.  
Use with all terminals 2-5mm auto / 22-12AWG

**27006**

Wedge removal tool.  
Suit DT,DTM,DTHD.

## SPARE PARTS

- Rib seals
- Wedge locks

## TERMINAL OPTIONS

- Standard finish
  - Gold plated
- See terminals section for more information.

# DEUTSCH DTM SERIES CONNECTORS

Deutsch mini transport connectors.

- For use with 2 to 2.5mm auto cable (24-20AWG)
- 1500VAC rated
- -55°C to 125°C rated
- 7.5A continuous rating per circuit
- Submersible to 3'
- Vibration tested to 20G
- Shock tested to 50G
- Options include gold plated terminals and heatshrink adapter version

**27952**

2 circuit male DTM housing & wedge.  
Terminals **27020/022**

**279521**

As above but with heatshrink adapter.  
Terminals **27020/22**

**27953**

3 circuit male DTM housing & wedge.  
Terminals **27020/022**

**279531**

As above but with heatshrink adapter.  
Terminals **27020/022**

**27954**

4 circuit male DTM housing & wedge.  
Terminals **27020/022**

**279541**

As above but with heatshrink adapter.  
Terminals **27020/022**

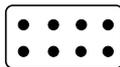

**27956**

6 circuit male DTM housing & wedge.  
Terminals **27020/022**

**279561**

As above but with heatshrink adapter.  
Terminals **27020/022**

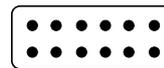

**27958**

8 circuit male DTM housing & wedge.  
Terminals **27020/022**

**279581**

As above but with heatshrink adapter.  
Terminals **27020/022**

**27951**

12 circuit male DTM housing & wedge.  
Terminals **27020/022**

**279511**

As above but with heatshrink adapter.  
Terminals **27020/022**

**27026**

Cavity plug suit DTM housings. Red.  
Used to seal unused terminal positions.

**27005**

Generic crimp tool.  
Use with terminals **27020/021/022/023**

**27000**

Generic crimp tool.  
Use with all terminals  
2-5mm auto / 22-12AWG

**27025**

Terminal removal tool.  
Use with terminal  
**27020/021/022/023**

**27006**

Wedge removal tool.  
Suit DT,DTM,DTHD.

## **ACCESSORIES**

- Soft boots
- Straight backshells
- 90° backshells

## **SPARE PARTS**

- Rib seals
- Wedge locks

## **TERMINAL OPTIONS**

- Standard finish
  - Gold plated
- See terminals section for more information.
